ORWALL CORPORATE SPONSORSHIP PACKET -2018

ORWALL Team & Corporate Sponsorship Oak Ridge Woodlands Area Little League

Neighborhood Visibility for Your Business

As our League Boundary Map shows, ORWALL envelops a considerable amount of real estate, serving an area that feeds into four (4) large CISD public high schools: The Woodlands, College Park, Oak Ridge, and the new Grand Oaks High School set to open in fall 2018.

Our baseball facility is located on the border of Spring and The Woodlands, but it's boundaries reach as far north as Conroe, as far west as Magnolia, and east into Oak Ridge North and Shenandoah.

Nearly 2,000 players register to play baseball during the spring and fall seasons at

ORWALL. This leads to over 6,000 residents from the local community in attendance at over 2,000 games played per year not including End-of-Season Tournaments and All-Star games.

Your sponsorship will provide your local business recognition as a contributing member of the community that supports ORWALL and the development of our youth through the game of baseball.

About ORWALL

ORWALL is a non-profit organization which exists to serve the community as a place to play competitive baseball under its Little League charter. Our 20-acre facility is home to 10 baseball fields that serve players of all Little League age divisions (4 through 16 years). Conveniently located just off Sawdust Road and I-45, it is tucked-away just south of The Woodlands Park-and-Ride and just north of the SCFL football facility in a forested patch of South Montgomery County.

ORWALL is operated and managed by an all-volunteer local board of directors who are elected to positions annually. The ORWALL board is charged with providing a means to "promote, develop, supervise, and voluntarily assist in all lawful ways, the interest of those who will participate in Little League Baseball." Board members volunteer their time and talents in various areas such as park

security and maintenance as well as coaching and managing baseball teams along with other neighborhood volunteers.

ORWALL is a place where beginning, developing, and experienced athletes alike can compete in skills-appropriate baseball divisions. Our spring time player registration fee provides twelve (12) regular season games with a double-elimination tournament and the opportunity to be selected to a League all-star team for competition in District 28 play

and beyond. In the fall, there are no all-star teams and fewer games (10 games + single-elimination tournament), so the registration fee is commensurately less. The volunteer structure of ORWALL keeps baseball registration fees affordable for the majority of residents within our boundaries while baseball “scholarships” offset the financial cost for low-income families. Registration fees allow the park to subcontract labor for seasonal grounds keeping, game officiating, and utilities- the “basic” operating costs with little-to-nothing left for capital improvements to the facilities.

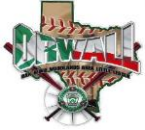

The ORWALL Difference

Unlike local travel ball organizations which play at various locations in the greater Houston area (and beyond), ORWALL teams play 100% of their games at ORWALL park, season after season, giving impetus to valuable friendships that span both families and generations (ORWALL was founded in 1970). The non-transient nature of our League ensures that we cater only to those players who reside or attend school within the League boundaries. Additionally, ORWALL is committed to providing more than just a place for local youth to play baseball. Our commitment to Little League values is the foundation upon which our League rests: “Through proper guidance and exemplary leadership, the Little League program assists children in developing the qualities of citizenship, discipline, teamwork and physical well-being. By espousing the virtues of character, courage and loyalty, the Little League Baseball program is designed to develop superior citizens rather than superior athletes.” When you partner with ORWALL as a sponsor, your contributions improve facilities that provide a home for lifelong friendships and memories while directly supporting our mission to develop area youth into good baseball players and even better neighbors.
